Re: Our Porch Remodel

From Rotted to Robust!

It is with great satisfaction that I will recommend Mitch and his team at Fineline Construction to *any* person, friend or casual inquirer who is searching for the right contractor!

Without hesitation, Mitch went over-and-above to meet our design needs and our desired budget. There was no stress, no haggle, and absolutely no hick-up once so ever in our project. Our final project gleams with perfection and superb workmanship. Versed in every aspect from design to installation- we are satisfied to the highest degree!

It's nice to finally experience total satisfaction with a home project! Our family will always turn to Mitch and Fineline Construction for any of our remodel, repair, or construction needs. Fineline Construction provides a service that is incomparable, patience that is unmeasurable- and quality that is boundless.

Truly and Sincerely, Thank you for everything!
